The total employed of all industries in the Ordnance Plant area will reach well above 1,200 within a few weeks. The War Assets Administration has agreed to start an advertising campaign covering all states east of the Mississippi River designed to

to attract more industries to this area. More good prospect contracts are being continuously reviewed, and it is anticipated that by next spring the total employment in the former Olan Mills Plant area alone will reach around 7,000.

S. I. N. U. has also been granted the Administration buildings, half the housing facilities, and half the dormitories of the former Ordnance plant area by Southern Illinois, Inc., and the War Assets Administration.

About Campus

"My greatest ambition is to see Southern become a large and famous university" was the answer

DALE ANDREWS

I received when I asked Dale Andrews what his secret ambition was.

A sophomore from Mt. Carmel, Dale started to school at Southern in 1939. In 1940 he went into the U. S. Marine Corps, returning to school last March. He is majoring in government and minoring in economics and sociology. He would like to study law.

For hobbies he likes to mix with people and to do creative writing.

Dale has been outstanding on the campus since his return here. He is a member of Delta Delta Chi fraternity, Student Council, Student Government Research committee, Little Theatre, Egyptian staff, President's Advisory Council, and Student Chairman of the Homecoming committee. He is also sophomore class president, chairman Southern Veterans organization, and editor of the "The Voice."

himself to full-time Christian service.

About 150 persons attended the "International Friendship" banquet on Friday evening.

The interesting highlight of the Saturday session was the seminar and panel forum in reference to extension work and life interests. After the Saturday afternoon session, the group went to the Baptist Foundation for a Talent Parkers conducted by Betty Manes.

The total registration at the convention was 316. Of this number 107 were college students.

**SCF Evening to Start**  
An evening will be held from 4 to 4:30 on Tuesday, Wednesday, and Thursday afternoons in the lounge of the Student Christian Foundation starting next week. Keeping Up With  
Former Students

By Ralph Lane

Pat and pencil in hand I ran to Carter's office and was waiting to get this week's news of former students. The first person I met was Lou Walker, of course. Lou knows everything about everybody, and he gave me the latest news of former Delta Sig.

According to Lou, Dorothy Jones and Jessie Mitchell are working in Chicago, and Mary E. Smith and Florence "Sis" Schuler are in Springfield. Mary is working for Franklin Life Insurance company, while Florence is attending law school.

That was all Lou could tell me at the time; she had to go to see a man about a date for the dance or something. So thanking Lou, I walked over to the Pi Kappa booth. There I learned that Robert Dooley and Melba Ann T. S. are working in St. Louis, and that Dorothy Whitfield is working in Merion.

After talking to the Pi Kaps, I looked around to see who else was there. The next person I saw was Helma Mary Robertson, Anthony Colwell, Kay Robertson, and "Pro."

She informed me that Lucille Gunn is teaching school near Anna, that Pat Hill is teaching the fourth grade at Salem, and that Kay Robertson is an instructor at the Wayne City high school.

I looked around in Carter's for someone else I knew, but I knew I was it this year, so many unfamiliar faces.

Over at the Egyptian office I looked around and heard of three former N.E.A.'s. Hal Miller is teaching in the high school at Monmouth, Charles Miller, former Egyptian news editor, is teaching at Steelville, and Sam Hancock is attending the University of Illinois.

By this time it was after 5 o'clock. I had to hurry. I phoned the Pi Sigma house and found out that Pat Shultz Cobbler is living in St. Louis; Betty Lou Steider, another Pi Sig who has married recently, is living in Cape Girardeau; that Jerry Cole is in Fairfield working and also that Betty "Breeze" Howell is working in Chicago.

"Then, however," called the Chi Delta house and learned George Elliott is going to the University of Illinois, also found out that Don Harwick is in the Army and stationed in the Philippines, and that Chester Glover is in the Air Force.

Somewhere along the line some one told me that Pearl Fiss, former John's co-op co-ed, is assistant manager of the editorial department at the La Salle extension of the University of Chicago.

New Journalism Typing Instructor Is  
Free Lance Writer And Photographer

By Bill Welch

Alloy there! 'Aboud our faculty, editor the navy author and producer of the vaudeville, "Flat Topics," Robert A. Steffes. Formerly a sailor and an instructor at Syracuse University, he joined our staff this fall and teaches Journalism and Typing.

For his script writing and production "Flat Topics," he received official naval recognition. The show was presented to sailors from here to you in the New Hebrides Islands.

Steffes graduated from the University of South Dakota where he received the bachelor of science degree. He later attended Syracuse University where he took Journalism. He received his master of science degree from Syracuse this summer.

In his spare time he devotes much effort to his two hobbies, photography, both still and moving, and free lance writing.

He admits among other things, that he is a free lance writer with recent articles published in Gregg Writer, Our Navy, U. S. Camera, and Motorcycling. As a journalist, he was telegraph editor and news editor of a small weekly and owner of another weekly in South Dakota.

He served in the navy as a yeoman, seeing service on baby flat tops in the African and South Pacific theatres and service with OVE-Chicago. While he was on this ship, he wrote vaudeville as a hobby in his spare time.

He had his try as a publicity

ams, Eugene Wells, and Joseph Restivo.

Eugene Wells of Salem received an appointment to Lakehurst where he studied aerology and became a weather reporter in the navy.

Joseph Restivo of Merion first went to Northwestern University and then secured an appointment to the Institute of Meteorology at the Board Institute of Technology. He graduated from that institution in the summer of 1946. He is now at sea getting naval experience in meteorology.

The 11th student appointment was Jamie McGee of Granite City. Jamie graduated in August, 1946, and is now teaching at Granite City.

Because students were being called to the armed forces so rapidly, Miss Ernel Barton, wife of Dr. Barton, was asked to help with the readings. She passed her civil service examination during the winter term, 1943, and served with the war ended. When appointed, Miss Barton was enrolled at Southern.

William Reed took readings during the summer of 1944.

James McGee of Granite City received the 14th appointment and is still taking readings.

Alice Vravick of West Frankfort and J. Edwin Becht of Chicago were the 15th and 16th appointments. The last student added to the staff is Lorin Bauman who was reappointed this month.

**Question Box for Vets**

At a meeting of key individuals concerned with veterans' education and affairs, a new information service was initiated.

The vast and varied number of questions presented by the veterans and his general confusion regarding practices and policies indicate that such a service can fill a long felt need. Many veterans do not know to whom they should turn for a particular type of information. Frequently the proper person in not available. Thus, most information is obtained through cutbush and is not only erratic and misleading but completely false.

The Egyptian is to be the media for presenting this information to the veteran. You, as veterans, are urged to present your questions in a box provided at the door of the Dean of Men's Office. Questions should be presented as specifically as possible, must be signed, and should list whether the veteran is under P.L. 16 or P.L. 346 as answers will vary accordingly. This question will be forwarded to the proper authority who will answer the question. Answers as soon permitted, these answers (also signed) will appear in the next issue of the Egyptian.

# Evansville Power Outclasses Maroons

By BOB McDOWELL

Outclassed in both power and experience, Southern's grid Maroons went down to a 21-7 defeat at the hands of the mighty Purple Aces of Evansville College last Saturday on rainspelt Bosse Field in Evansville, Indiana. A near capacity Homecoming crowd saw the home-town crew bewilder the Southern eleven with their shifting offense and their stout defense.

The Maroons, perplexed by an Indiana team that could shift into just about any offensive formation, dropped behind in the first period when the Aces climaxed a long drive with a three-yard smash by halfback Bailey to take a six point lead. Hawkins converted the driving attack and the scoring activities were ended in the first period.

The Maroon-men seemed to snap

out of their lethargy in the second quarter when John Busch intercepted an Ace pass on Evansville's 45-yard stripe and, with the help of a block by Bob Johnson, raced the 55 yards for a touchdown. Bret Morrison threw fear into the hearts of local fans when he booted a strike through the cross-bars and Southern tied the score 7-7.

It was a fairly even battle during the third period as neither eleven could dent the others goal line. However, in the last quarter, Evansville climaxed another power drive with a ten-yard run by Osenberg to cross the Maroon's goal line for the second time. The point was added by Hawkins and Evansville led 14-7, never to be topped.

The last Hoosier counter came when the Aces worked the step-off play with success. The Maroons were wise to the play but halfback Gene Stollar slipped and fell as he tried to break it up, and Bailey completed his pass to his right end for the score. Hawkins converted for the final score of the day.

The Southern tackling was off and the Evansville backs usually went five or ten yards after being hit. Stollar line play was shown by Tim Levin and Charlie Heinz for the Maroons, while Johnson turned in the prettiest piece of broken field running of the day for the Southerners.

WILL TO BROADCAST SATURDAY

WGII, Carbondale, will broadcast the IAC champion-ship football finals between DeKalb-Southern Saturday at 1:15 p.m. from MacAndrew Stadium.

## MAROONS-HUSKIES VIE FOR CROWN

(continued from page 1)

Lyons, a boy just out of DeKalb high school.

Coach George Evans of DeKalb has a fine group of line-men headed by Captain Bob Duffield, a tackle. Arquilla, a guard, also played a stellar game against Illinois Normal.

No Serious Injuries

Despite last week's trimming at Evansville College, Coach Glenn Martin's boys came through the contest with no serious injuries, and should be at peak strength Saturday.

Last year the Maroons missed the IAC crown by the margin of a single game, that one against the same DeKalb Huskies at DeKalb in the final game of the year. This year the Maroons and Huskies faced each other in the final battle and upon spottless conference records, but the tables are turned—this game is at Carbondale.

Probable starting lineup:

DeKalb	Brink	LE	Davis
Duffield	LT	Lovin	
Arguilla	LG	Schuster	
Smith	C	Hein	
Greney	RG	Cogrove	
Brown	RT	Mathew	
Bauman	RE	Cabutti	
Kacenta	QB	Malinsky	
Hill	HB	Stollar	
Hennigan	LH	Seelman	
Lyons	FB	Calafete	

## 59 Band Members Perform At Southern Evansville Game

Fifty-nine band members crowded into buses to perform at the Southern-Evansville football game in Evansville last Saturday.

At the half, the band formed an arc of spaces, a map of Indiana with an S in it, and a map of Illinois with an S.

## Southern's Harriers Host Saturday

By John S. Readleman

The stage is set for the annual IAC and Illinois invitational cross-country meets. Saturday morning on Southern's three and one-half mile course, cross country Coach Leland P. "Doc" Lingle reported. Six Illinois collegiate harriers squared off with the Southerners in the two meets. Wheat-on and Illinois Tech, in addition to the IAC opponents, will vie for the coveted invitational crown. State Normal, Western, Eastern, Northern, and Southern will strive for the hill and dale conference championship. More than 40 contestants will take their place at the starting line at 11 a.m. to high light and complete Illinois' cross country season this year.

Wheaton, favored in the invitational meet, led by their stellar performer Buter, and by comparing records, would be the Normal. Is destined to dethrone Southern in the IAC struggle. Normal is undefeated at the present time, having downed Eastern, Western, Southern is also undefeated, but was tied by Western Techers. Southern's six-man team will consist of Glenn Hamilton, Leonard Borden, Bill Dorris, Bud Miller, Bill Kunkel, and Bob Lanneman, while Louis Pechenino, William Hickman, and Marion Hall will compete for individual honors for Southern.

## W.A.A.

Doris Bantle and Evelyn Parker were delegates to a meeting of all Illinois Women's athletic organizations held at MacMurry College at Jacksonville, this past weekend. A new organization was formed of all state W.A.A.'s, and will be called "The Illinois Athletic Federation of College Women." This organization, the first of its kind in Illinois, is affiliated with the American Federation of College Women. The next convention, which will be a yearly occurrence, is to be held at Normal. Among the 19 colleges represented were University of Illinois, Northwestern, University of Chicago, Bradley Tech, Illinois State Normal, Knox College, Carthage College, McKendree College, Monmouth College, Blackburn College, and Southern.

## TENNIS

The tennis tournament is practically over, with but one game in the beginner group left to play. The winners of the doubles in the advanced group were Evelyn Parker and Betty Adams. Adams also won the advanced singles.

## HOCKEY

Southern's hockey season began last Thursday with the match between Anthony Hall and Pi Kappa Sigma. The Hall was victorious with a 4-0 score. In the first game of W.A.A.'s hockey tournament, the Southern Harriers, captained by Evelyn Parker, downed the Goal Getters, led by DeLoe Sava, 4-2.

The remaining schedule of the hockey tournament is as follows: game three November 18—Little Atoms vs. Southern Harriers; game four November 20—Goal Getters vs. Tri H's; game five, November 21—Tri H's vs. Southern Harriers; game six, November 25—Little Atoms vs. Goal Getters.

## Coach "Abe" Martin To Attend Banquets

Athletic Director Glenn "Abe" Martin has been invited to attend two banquets next Monday and Tuesday.

Monday Coach Martin will be presented a banquet at Hoopston, Illinois. In honor of Hoopston's Coach Glenn Blase. Blase is an alumnus of Southern, and served as captain of the Marion football team.

On Tuesday "Abe" will travel to Springfield, where he will attend a meeting of Southern Alumni and will be a guest speaker.

It seems as though someone up at Eastern Illinois State Teachers received some information that their football team's game with Southern was just too valuable to fill in an open date. This information is reported to have stemmed from the Egyptian. Well, we have searched the sheet through and through, and we can't find anything that could be construed as such. Of course, we estimated that we thought Southern would win, but this sports staff has seen too many football games to believe the other team. However, in the light of the 29-0 score well, it takes copy to fill up a newspaper. As to our just scheduling them to fill up an open Saturday, they are in the conference so we have to play them. However, better luck next year, Eastern.

## ON THE COLLEGIATE FRONT

After Army and Notre Dame upset the sports oracle's last week end with their scoreless tie; we can't even be embarrassed by our wrong selection. If they played in the conference, we would select by our choice again. If they took Army over Pennsylvania, (it won't be easy for the Cadets). If Notre Dame over Northwestern (it will for the Irish, we have to State over Illinois, this one depends on whether the "Ollie" will have an "in" or an "out" week).

## PAT'S CHATTER

By Pat Toge

For too many years now only the men of Southern have had their names in print proclaiming their achievements in the world of sports. We have decided that it's time for Southern's women to have their chance also; therefore, this column will appear every week in the Egyptian. Anyone having anything to contribute will please contact the writer.

A complaint handed to me this week by several members of the Women's Athletic Association is something by which not only the women of Southern's campus will benefit, but also the men. It is to the effect that not enough time and effort are being put into the activities of the Co-Recreational association.

Perhaps the officers of the organization can plan a more extensive program in which more students, both men and women, will be interested. If steps in this direction are not taken soon, the Co-Recreational on Southern's campus will become extinct. The article is in form of a challenge that something be done immediately.

TIDBITS—Last, Friday our Egyptian photographer braved hockey sticks, crushing girls, and rolling balls just to take a picture of the 3-p.m. women's physical education class. But still no picture. Why? Ask Mr. Curtis...

We have a new yell leader in our midst—quite good, too. Congrats to "Barb" Melvin on her superb job at Evansville.

Each week the readers of this column will be introduced to W. A. A.'s most active members. Our "Sportswoman" of this week is Nell Bradley. "Nellie" is a senior from Adams, and a member of Delta Sigma Epsilon. Sorority, in which she serves as secretary. She belongs to Southern's modern dance club and participates in almost all women's athletic activity.

When the Evansville Aces turned back Southern's bid for a victory last Saturday, 21 to 7, at Evansville, they established the longest winning streak in the history of their college. After a tie with Cape Girardeau at the season's start, they defeated and dropped a close contest to the University of Louisville 13 to 7, but since then they have left the field victorious after six consecutive games, to break a record which has stood since 1928. Before meeting Southern, they had defeated Illinois Wesleyan, Indiana State, Marshall College, Murray, and Indiana Central.

In a critical contest in the IAC last Saturday, the DeKalb Huskies overpowered the Normal Cardinals to win 14 to 3, ensuring themselves of at least undisputed second place in loop standings, and maintaining their unblemished record inasmuch as conference play is concerned. Normal's lead established her in third place with a season's record of two wins and as many losses.

Cape Girardeau, whose record this season makes her one of the standout teams of the midwest, continued her winning streak last Saturday against Hendrix College, 21 to 7. She has gone on to hit the eight times this season, without tasting defeat. Both Charleston and Macomb, whose conference schedules have been completed, ran into trouble last Saturday as the former lost to Indiana State 13 to 0, while the latter was toppled by James Millikin of Decatur, 13 to 7.
